ASBU was founded in 2013 in the center of the capital of Turkey in order to pioneer research in the social sciences and is Turkey's first and only state university on this field. ASBU is a research-oriented university for both undergraduate and graduate studies. There are currently five faculties in the university: Islamic Studies, Law, Political Sciences, Humanities and Social Sciences, and Foreign Languages. Also, ASBU has 3 Institutes and 21 Research Centers in the field of social sciences. ASBU and VTest work together to support admission processes and other certification needs of existing and prospective students.

Princess Nourah bint Abdulrahman University is a comprehensive university for women, distinguished by its leadership in education and scientific research. It contributes to establishing a knowledge-based economy with societal and global partnerships.

PNU uses Vtest English – 4 Skills for admission and placement. They are considering the test as a high-quality placement test, well-designed and aligned with PNU policies providing valuable insights into the English language proficiency of students.

PNU says that they were impressed by the ease of use of the Vtest platform, the easy administration, and the quick turnaround of the results allowing them to quickly place the students in the appropriate classes and provide them with the instruction they need.

# NAIA Partners with Burlington VTest

Sep 21, 2023

**KANSAS CITY, Mo.** – Burlington VTest and the National Association of Intercollegiate Athletics (NAIA) have announced a multi-year partnership aimed at streamlining the admission and eligibility process for student-athletes. The partnership will focus on providing potential students a more affordable and accessible means of proving their English proficiency alongside having their educational credentials verified through [InCred](#).

The Burlington Group, a global publisher of English language curricula, is committed to offering state-of-the-art learning and assessment solutions that empower students, employees, and lifelong learners to pursue their personal, professional, and academic dreams. Burlington VTest assesses students based upon the Common European Framework of Reference for Languages (CEFR), a system that the vast majority of international students are readily familiar with and to which all other major language assessments correlate. Burlington VTest is a full member of the Association of Test Publishers (ATP), an Institutional Member of International Language Testing Association (ILTA), and an associate member of the Association of Language Testers in Europe (ALTE).

Established in 1967, Community College of Denver is the third largest in the Colorado Community College System. With more than 8,000 students, taking classes both online and in the classrooms, the Community College of Denver has trusted VTest 4SKILLS General English test with online proctoring to for its students.

Tennessee Tech produces practical, ready-to-work graduates from a broad range of academic disciplines prepared to compete in a technologically driven world. Established in 1915 and with an enrollment of around 10,000 students, Tech offers degrees from eight academic schools and colleges: Agriculture and Human Ecology, Arts and Sciences, Business, Education, Engineering, Fine Arts, Interdisciplinary Studies, and Nursing.

**Tennessee Tech University** has confirmed to include VTest in the list of accepted score reports required for admission.

Located in close proximity to the bustling city of Los Angeles, Citrus College offers an ideal location for international students seeking a balance between academic pursuits and cultural exploration. Students can immerse themselves in the rich cultural diversity of Southern California, with its vibrant arts scene, renowned entertainment industry, and breathtaking natural landscapes. **VTest** is approved as an English language examination acceptable for admission purposes.

College of the Canyons is part of the California Community College system of 116 colleges serving more than 2.1 million students. The college is located in Santa Clarita, Calif., and covers a 367-square-mile service area. It offers 263 associate degree and certificate programs. College of the Canyons delivers an accessible, holistic education for students to earn associate degrees, certificates, and credentials, to prepare for transfer, and to attain workforce skills. **VTest is approved as an English language examination acceptable for admission purposes by ISP (International Services & Programs).**

*The case studies mentioned here are indicative and are provided for informational purposes. VTest does not endorse specific universities, employers, institutions or programs. Information about VTest recognition is updated regularly. Please check with your VTest representative for the most updated list of accepting institutions.*

Sabancı University was established in 1994. Its mission is to develop internationally competent and confident individuals advancing and fostering knowledge in natural sciences and engineering along with humanities, social and management sciences through innovative trans-disciplinary research. It is located on a 1.26 million squaremeter campus, about 40 km from Istanbul's city center. Sabancı University has three faculties: Faculty of Engineering and Natural Sciences (FENS), Faculty of Arts and Social Sciences (FASS), and Sabancı Business School (SBS). The medium of instruction at Sabancı University is English and VTest has been selected to support the University's assessment policies.
